

MICHIGAN QUARTER HORSE ASSOCIATION

2011 Final Year End Point Standings

- If you do not see your name listed, please be sure to contact the MQHA office. This software pulls points for current members only and if you are not listed, we need to determine where the error is.
- Remember that you must be a member prior to the show in order for your points to be tracked.
- Based on updates to this information from the membership, these points may change prior to the next show. Please be aware of this, and again, please be patient. This system will allow us a much timelier update to the points as it will allow us to upload information from the horse shows directly into the point software.
- We need your help. Please review the information for accuracy and let us know what you find.

Unless notified otherwise, these POINTS WILL BE CONSIDERED FINAL AS OF DECEMBER 1, 2011. Please contact the MQHA office immediately if there are any errors.
