

MQHA All-Around Amateur Select points thru September 25, 2017

To qualify for this award an amateur select must place in the MQHA year-end standings with one horse in at least three (3) AQHA/MQHA approved select amateur events. Points earned in amateur halter will be also counted toward the All-Around Amateur Select Award. Amateur select points are compiled on a one horse – one amateur select basis. A contestant may exhibit more than one horse; however, the points earned by the amateur select with each horse will be compiled separately. The Champion All Around Amateur Select award will be calculated and granted on total points earned on the “Best 75% of Event” basis. Once a team has met an All-Around requirement, points earned in any additional classes will be counted on the “Best of 75% Event” basis toward that All Around
