

MQHA Rookie Amateur All Around Standings thru September 25, 2017

To qualify for this award a rookie amateur must place in the MQHA year-end standings with one horse in at least three (3) AQHA/MQHA approved rookie amateur events. Rookie Amateur points are compiled on a one horse – one rookie amateur basis. A contestant may exhibit more than one horse; however, the points earned by the rookie amateur with each horse will be compiled separately. The Champion All Around Rookie Amateur award will be calculated and granted on total points earned on the “Best 75% of Event” basis. Once a team has met an All-Around requirement, points earned in any additional classes will be counted on the “Best of 75% Event” basis toward that All Around
