

MQHA Princess Contest

Friday, July 8th, 2016

Harbor Classic Horse Show, Ludington, MI

The Princess division is for girls ages 9-13, and the Junior Princess is for girls 4-8 years old. Every girl will get a sash, and a prize for competing. The Princess and Junior Princess winners will receive special Princess sashes.

The Princess contest includes a Horsemanship pattern using a stick horse. This will be graded on the correctness and execution of the pattern.

The candidates will also be interviewed by a panel of three judges. These questions will be age appropriate, and the girls will be graded on their answers to the questions, their ability to communicate their thoughts and their attire. If anyone has a stick horse for the girls can use for this event, please bring them with you.
