

MICHIGAN QUARTER HORSE ASSOCIATION

Year End Point standings thru September 25, 2017

- If you do not see your name listed, please be sure to contact the MQHA office ASAP. **This software pulls points for current members only** and if you are not listed, we need to determine where the error is.
- Remember that you must be a member prior to the show for your points to be tracked.
- Based on updates to this information from the membership, these points may change prior to the next show.
- We need your help. Please review the information for accuracy and let us know what you find.
- **New for 2017:**
 1. Points will be kept on a cumulative basis. Classes offered at fewer than three (3) circuits do not qualify for the year-end standings and awards will not be given. Horses earning fewer than ten (10) MQHA points on the year end standings are eligible for honorable mentions only. No award will be given.
 2. 75% of the number of MQHA approved shows are calculated for an exhibitor (or a horse in open) in any single event. The points will be calculated on a "Best 75% of Event" basis each time new point accumulations are added. (If an odd number of shows are MQHA approved, the extra show will count towards the "Best 75%." For example: If 41 shows are approved, 31 shows will be the "Best 75%")
 3. In the case that a particular class is not offered at every show, the Best 75% of shows will be determined based on the number of times the class was offered. For example: If a class is offered 30 times during the calendar year, then 23 shows will be the best 75%.

Class	Horse	First Name	Last Name	Points
