RULES: The following rules were presented to the Board.

SECTION 4 - MQHA YEAR-END AWARDS

ITEM A - REGULATION: ALL AGES DIVISION

1. Eligibility:

D. The MQHA point year will begin January 1st and end November 30th.

1. Points will be kept on a cumulative basis. Classes offered at fewer than three (3) circuits do not qualify for the year-end standings and awards will not be given. Horses earning fewer than ten (10) MQHA points on the year end standings are eligible for honorable mentions only. No award will be given.

2. Points from all MQHA approved shows will count for year-end awards.

~~2. 75% of the number of MQHA approved shows are calculated for an exhibitor (or a horse in open) in any single event. The points will be calculated on a "Best 75% of Event" basis each time new point accumulations are added. (If an odd number of shows are MQHA approved, the extra show will count towards the "Best 75%." For example: If 41 shows are approved, 31 shows will be the "Best 75%")~~

~~3. In the case that a particular class is not offered at every show, the Best 75% of shows will be determined based on the number of times the class was offered. For example: If a class is offered 30 times during the calendar year, then 23 shows will be the best 75%.~~

3 If a class is offered on a showbill with both a select and amateur division, and the classes are combined for whatever reason, the points will be split back out for the purpose of the year end awards and year end high point. Individual show managements will need to determine what to do for their own circuit and all-around awards.

4 If a class is offered as only an amateur class on the showbill, select points will remain within the amateur division and will not be pulled out.

5 If a show management combines classes in a manner different than what is stated on the showbill, the show management MUST notify the MQHA point secretary when the results are submitted. Those class results may require manual entry for year end awards computations

6. Once the final year-end point standings have been calculated, the following rules will apply:

a. If there is a tie for Grand, two Grand awards will be given. The next placing would be 3rd. No Reserve award will be given. If there is a tie for Reserve, two Reserve awards will be given. The next placing would be 4th.

b. If a class is split between Junior and Senior horses at some shows and offered as a combined class at other shows, the way the class is offered the majority of the time will prevail for the Year End Award.

5. Any changes to be made to the point standings must be made to the point secretary within 7 days of final posting/notification of final standings. After that date no changes will be made. Points are awarded as follows:

~~1. For total accumulation MQHA Point System for all classes EXCEPT yearling, two year old, three year old, aged and performance halter for all sex divisions:~~

<u>Place</u>	<u>Points</u>
FIRST	Equals number of horses in class (not to exceed 9)
SECOND	Equals number of horses in class less 1 (not to exceed 8)
THIRD	Equals number of horses in class less 2 (not to exceed 7)
FOURTH	Equals number of horses in class less 3 (not to exceed 6)
FIFTH	Equals number of horses in class less 4 (not to exceed 5)
SIXTH	Equals number of horses in class less 5 (not to exceed 4)
SEVENTH	Equals number of horses in class less 6 (not to exceed 3)
EIGHTH	Equals number of horses in class less 7 (not to exceed 2)
NINTH	Equals number of horses in class less 8 (not to exceed 1)

~~2. The halter classes shall be awarded points based on a nine (9) point scale regardless of the number of entries in the class. Additional points for grand and reserve will NOT be awarded.~~

2. The halter classes shall be awarded points as above with the following exceptions: The Grand Champion animal in each sex division shall be awarded an additional two points and the Reserve Champion animal in each sex division shall be awarded an additional one point more than the largest class in the sex division.

~~3. When calculating the final All Around standings, only one set of halter points will be used for the total point accumulation. This applies to horses who might have earned points in both halter and performance halter. While they may accrue points in two classes for individual year end class rankings, only the larger number of halter points from one class will be used for the final All Around standings.~~

ITEM C- ALL-AROUND AWARDS REGULATION

3. The following awards will be calculated and granted on total points earned ~~on the "Best 75% of Event" basis.~~ Once an exhibitor has met an All-Around requirement, points earned in any additional classes will be counted ~~on the "Best of 75% Event" basis~~ toward that All Around.
