

SECTION 1 – MQHA FUTURITY

MISSION

The purpose of the Michigan Quarter Horse Futurity is to promote and showcase American Quarter Horses resulting from Michigan breeding programs.

GENERAL PROVISIONS

1. All entries are eligible provided the entry is registered with a breed association that is recognized by the NSBA or WCHA.
2. All owners of record, open and non-pro/amateur exhibitors must be members in good standing of MQHA and their breed's registry.
 - A. Any person on suspension or otherwise denied privileges from MQHA will be ineligible to exhibit or have horses exhibited at the Futurity if the Futurity is held during the specified dates of said suspension. All horses which are recorded in the name of such person, or owned in whole or part by such person, are not eligible to participate in said Futurity.
 - B. Any horse on suspension from MQHA will be ineligible to be exhibited at the Futurity if the Futurity is held during the specified dates of said suspension.
 - C. Any violation of NSBA or WCHA rules, which the Michigan Quarter Horse Futurity adheres to could result in the following: 1) Forfeiture of all monies and awards and 2) the exhibitor of the entry could be ineligible for exhibiting horses in the following year's Futurity.
 3. **Weanlings:** Weanlings may be shown at halter as follows: open and/or non-pro fillies; and open and/or non-pro stallions or geldings.
 - A. The weanling classes will follow WCHA rules.
 4. **Yearlings:** Yearlings may be shown in open western longe line, open HUS prospect longe line and/or non-pro-western/hus combined yearling longe line. The horse should be judged with its suitability as a future performer under saddle in mind. This class should define what it means to be a "western pleasure prospect" or "hunter under saddle prospect". Because these are yearlings, they are not expected to demonstrate the behavior or quality of a finished show horse, but only that performance necessary for a reasonable presentation to the judge.
 - A. The MQHA will follow NSBA yearling longe line rules.
 - B. A horse may not be shown in both the open western longe line and the open HUS prospect longe line.
 1. All horses two and older may be shown in performance classes in open and/or non-pro. All riding classes will follow NSBA rules.
 2. The Michigan Quarter Horse Futurity will be shown each year at such place as may be designated by the Board of Directors.
 3. All classes will be judged by a qualified judge or judges.
 4. All fees and dues dates will be published on the MQHA website.

SECTION 2 - MQHA STALLION SERVICE AUCTION & FUTURITY

21. THE CONCEPT:

A. To provide a select, direct entry Futurity for the benefit and promotion of both stallions and mares through participation in this Futurity.

B. To develop a high-money Futurity funded by the sale of donated stallion services.

C. This Futurity will be known as the MQHA Stallion Service Sale Futurity. It is only for foals resulting from the Stallion Service Sale. Classes offered are: weanling halter, yearling longe line, two-year-old snaffle bit, and three-year-old hunter under saddle. The MQHA Stallion Service Sale Futurity is completely separate and different from the regular MQHA Futurity.

D. All foals showing in the Stallion Service Sale Futurity (mare owners and stallion owners) must be eligible to be registered with a known breed association.

22. THE PROCEDURE:

A. The MQHA Stallion Service Sale Futurity will be held in conjunction with the MQHA Futurity and judged by three judges. One judge can be a non-AQHA approved judge.

B. A stallion owner will be eligible to enter a foal from the stallion he/she donates. A stallion owner may donate more than one service if he/she wishes to do so. The stallion owner (agent) shall notify MQHA in writing, by September 1st of the year shown, the choice of which entry will represent the stallion. Entries will be accepted from September 2nd to the start of the class but will be subject to a late fee. The stallion owner (agent) is the owner (agent) who signed the breeding contract for the year the foal was conceived. Any conflicts will be decided by the SSS Committee. All decisions are final.

C. Proceeds of the auction will be divided as follows after expenses: 20% MQHA, 40% Stallion Owner's purse, 40% Mare Owner's purse.

1. Stallion Service Sale pays MQHA 20% for MQHA contribution, which provides the Stallion Service Sale/Futurity Secretary. Stallion Service Sale will pay all additional expenses directly related to the Stallion Service Sale and a percentage of expenses incurred directly at the MQHF/SSS circuit. Any expenses arising from past years sales will affect the current year's purse.

D. Purchase of a service must be paid for on the day of the auction. Cash, money order, Visa, Mastercard, Amex or a personal check will be accepted.

E. September 10th is the cut-off date to purchase unsold stallion services from the MQHA Stallion Service Sale.

23. PAYBACKS:

A. The purse structure is as follows: 34% to weanling fillies (mare owners and stallion owners), 34% to weanling colts or geldings (mare owners and stallion owners), 17% to the 2-year-old snaffle bit class entries (mare owners and stallion owners) 7% to the yearling longe line (mare owners and stallion owners) and 5% to the 3 Year Old Hunter Under Saddle (mare owners and stallion owners). Classes with fewer than 5 entries may be run concurrently and awarded by mare owner and stallion owner division. A 3% discretionary fund is established, and its use will be decided by the committee on an annual basis. It will provide for larger awards and start up paybacks.

1. For the weanlings, the total weanling purse will be divided equally between the four weanling classes and the paybacks will be:

a. (6) places for 32 or fewer entries - 30%, 24%, 18%, 12%, 9% and 7%.

b. More than 32 entries, the payback will go to seven (7) places - 29%, 23%, 15%, 11%, 9%, 7%, and 6%.

c. If there are only five (5) showing - 31%, 25%, 19%, 14% and 11%.

d. If there are only four (4) showing - 33%, 28%, 24% and 15%.

2. The yearling longe line, the two year-old and the three year-old SSS classes will follow the payback chart.

B. In the event of a tie, the tie breaker judge will decide who receives the award and ribbon, but monies will be combined and divided equally, the tie positions shall be designated as co-position (example: two-way tie for 1st place will be designated Co-Champions of said class).
