

DRESS CODE AND CODE OF CONDUCT

Please dress appropriately (Western Dress Attire) at all times while performing Queen duties and/or obligations. Dress Attire does include $\frac{3}{4}$ length skirts, Western hat with MQHA tiara, and the MQHA Queen's sash.

Please be polite and kind to everyone, say Hello, and Smile, paying special attention to the children, when handing out Lead Line or Walk Trot awards. Giving encouragement, being enthusiastic and having a positive attitude to all is important in representing MQHA at shows and other associated events.

It is preferable for the MQHA Queen to abstain from smoking while she is in Queen Attire and performing duties as MQHA Queen. Intoxication and use of illegal drugs is not tolerated. Please keep all internet profiles clean and appropriate.

If candidate for Queen, or the MQHA Queen is found to have negatively written about MQHA or AQHA, she will be ineligible for the MQHA Queen's contest or may be removed as MQHA Queen.

MQHA Board reserves the right to re-evaluate the status of the Queen at any time during her reign as Queen.

I have read and understand the above code of conduct, and will positively represent MQHA at all times during the Queen's Contest and/or during my reign as MQHA Queen.
