

MQHA Horseback Riding Program Rules

1. The MQHA Horseback Riding Program registration is based on a one rider/horse combination per each Horseback Riding Program registration fee.
2. A Program participant must be a current member of MQHA and maintain the membership throughout the program year.
3. Registration may not be transferred to another horse or to another rider.
4. Substitutions due to lameness or death will require veterinarian verified documentation. The Horseback Riding Program director must approve the substitution.
5. Should a horse registered for the program be sold during the program year, the program registration fee will not be refunded.
6. Program registration is not transferable to the new owner of a horse that is sold during the program year.
7. All registered Horseback Riding Program participants who have met one of the three levels of achievement with their horseback riding hours, will be recognized with a year-end award at the annual MQHA awards banquet.
8. All Horseback Riding Program log sheets must be completed and submitted to the program director by the deadline for the program year.
